## How can you earn \$500 to FireSmart your home?

### GET A FIRESMART ASSESSMENT -----

### TAKE ACTION ON THE RECOMMENDATIONS -----

### GET A \$500 REBATE!

- **Step 1:** FREE FireSmart Home Assessment performed by the Town of Princeton's FireSmart Coordinator
  - Call 778-720-6107 or email [firesmart@princeton.ca](mailto:firesmart@princeton.ca) to book your free assessment.
- **Step 2:** Take the FireSmart-101 course. This is an extremely informative FireSmart education tool that can be done online, at your convenience, and only takes about an hour to complete.
- **Step 3:** Take action on the recommendations made in your FireSmart Assessment.
  - Take action on some or all of the recommendations in your detailed FireSmart report.
  - This can be accomplished yourself, with your neighbors or using hired help.
- **Step 4:** Submit your information
  - Fill out the Work Hours Estimate Form for the hours spent performing your recommended mitigation work. A minimum of \$1,000 worth of materials or labour is required to be eligible for a \$500 rebate.
  - Showcase the wildfire mitigation work you have completed by submitting before and after photos, receipts or a description of your work.
- **Step 5:** Get your REBATE!
  - Submit your Work Hours Estimate Form, your FireSmart-101 certificate, and provide confirmation of actions you have taken (before and after photos, receipts or a description of work completed).
  - Upon verification, a rebate of \$500 per property is issued.
