

Osprey Snowwheelers 2023

Sunday, February 19 - 10:00am

Annual Community Poker Run

\$25.00/Sled – Extra Hands \$15

approx. 35 km - Helmets Mandatory – 4105 Lakesyde Rd.

To speed up registration, we encourage everyone to pre-register using the following form and pre-pay using eTransfer. If you pre-pay, but feel sick the day of the run and can't attend, your fees will be reimbursed.

This year, Hayes Creek Fire will be set up to collect your Property Registration Dues of \$100. They will also be selling 50/50 tickets as a Hayes Creek Fundraiser.

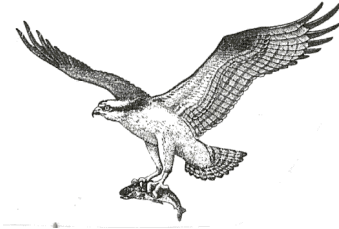

Some sections of the run will be on deactivated logging roads and other sections are two way traffic – use extreme caution. All drivers are requested to be considerate of those behind them by exercising proper trail etiquette and **keeping even throttle pressure and speed to avoid leaving deep trenches and moguls on the trail surface.** The ride will take you beside areas of undisturbed snow that are suitable for boondocking or hill climbing – please play on these areas and leave the trails smooth for those behind you.

You draw card #1 at registration. Hot Dogs/snacks/water will be available at the Check Point and at the end of the run. The Check Point is a double one and does not open until 10:15am and closes at 1:30pm. It will have a warming fire and hot dogs. You draw card #2 and then the run loops back, where you draw card #3 – remember you must return to the registration point and draw cards #4 & 5 **by 2:00pm** to be eligible to win any prizes.

If for some reason you cannot return, please call 250-295-2844 and let us know you are safe and so we don't waste time looking for you. To win any prize, riders **must be back and checked-in by 2:00pm.** There are many random draw prizes, please don't give up just because you don't have a good poker hand.

You must be in attendance at 2:30pm to be eligible to win

The Osprey Snowwheelers wish to thank all our prize sponsors for their generous donations and wish you all good luck on your poker hands. All funds raised by this event are used for trail grooming, maintenance and construction. Enjoy your ride!!!
